High Lakes Leadership Initiative Endowment Fund

The Union County Development Association has established the High Lakes Leadership Initiative Endowment Fund. In order to sustain and develop the different programs of the initiative, it is imperative to prepare for necessary expenses without relying exclusively on fee increases or sponsorship campaigns. The Adult Leadership Program, Young Professionals Group and Youth Leadership Program will all benefit from this endowment fund. The High Lakes Initiative Board of Directors will budget and allocate available funds from the endowment in the future. Currently the HLLI programs depend solely on participant tuition, grants and organizational contributions to help offset the costs to operate the program and scholarships.

Matching Grant: The Endow Union County Board has awarded a \$5,000.00 matching grant for the HLLI Endowment Fund. For every dollar we can raise for the HLLI Endowment Fund the Endow Union County Board will match us dollar for dollar to a maximum of \$5,000.00.

We are asking that you continue to support the mission of the program by dedicating a portion of your philanthropic activities towards the High Lakes Endowment Fund.

Please consider a minimum contribution of **\$50.00** this year. Contributions of **\$100.00** or more may be eligible for a 25% Endow Iowa tax credit. Your tax deductible contribution will preserve the sustainability of the programs from the High Lakes Leadership Initiative.
